

An Important message from Human Resources

OOGA Members,

We are excited to launch our relationship with BOST Benefits. BOST Benefits is now available to assist all our Medicare eligible members and/or spouse, in evaluating whether they could save money on their health plan choices.

NEW OFFER

OOGA has been able to arrange for members and/or spouse to access Medicare options for those who are eligible. These plans include options that are nationwide and offer many other unique additional benefits.

These Medicare plans are offered through BOST Benefits. If you have any questions regarding the Medicare options, please call the Service Center toll free number listed on the next page.

Custom website available:

password - medicare (all lower case)**

Please note the information shared in this letter for more details. Even if you are happy with your current OOGA health plan, we encourage you to take advantage of this \$0 personal review with BOST Benefits to see if one of the options could improve your benefits and save you premium. **A personalized annual review allows you to see if you are paying unnecessary out-of-pocket expenses.** BOST Benefits will make the review process easy and stress-free. All the **BOST services are at no cost to you.** These educational resources are being provided to you to help you make the most informed decision.

Next steps:

Option 1

Use the following link to schedule your review with one of the BOST Medicare Advisors.

<https://calendly.com/ohio-oil-and-gas-association>

Option 2

Call the Medicare Service Call Center at **1-800-719-3751** to speak with an advisor and secure more information about these plans.

-see reverse side-

Since we are a large association that has members in many states we have selected a company that has a national presence and national carrier relationship to assist you. The review will show you all options of carriers and plans with costs. This will allow you a thorough and unbiased consult in assisting you in your Health Plan choices. We are excited to be working with BOST Benefits to help you navigate this difficult Medicare review process. BOST Benefits and their affiliates currently services thousands of Medicare Members and have proven themselves with a great record of professionalism, knowledge, honesty and customer satisfaction. BOST Benefits services are provided at no cost to you! No Financial information is needed for this review.

IMPORTANT!!

*Please take the time to at least compare your current coverage vs. the **Medicare** options now available to you and/or your spouse. This educational process is being provided through our relationship with BOST Benefits and is designed so you can make the best decision possible regarding your health plan.*

**Medicare Service Call Center:
1-800-719-3751**

I hope BOST can be of assistance to you.
